2020 - Boca Raton ?

So, you know what happened and through the perseverance and creativity of the Adult Children who were planning this meeting lemons turned to rather surprisingly tasty lemonade.

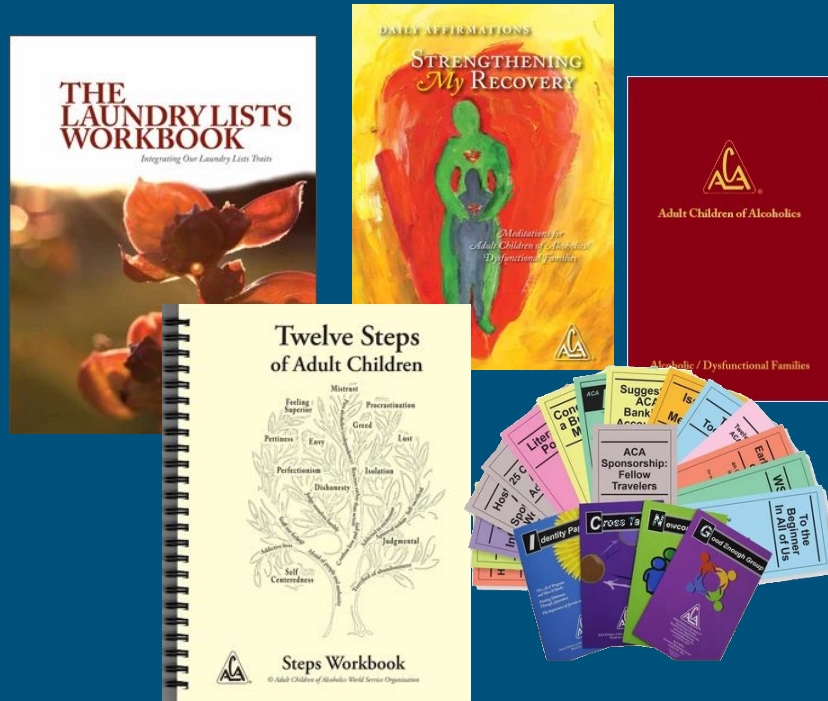

WSO is more than an Annual Meeting

WSO provides a sense of common purpose, stability, and continuity for meetings, Intergroups, and Regions. By serving as a central point of group communication, the WSO encourages unity and similarity among ACA meetings. ACA WSO coordinates meeting information worldwide. It is one place where ACA groups and the general public can find information, literature, and locations of meetings. - BRB 619

Your Voice

2021 Ballot Proposals

If your group has an idea that may benefit ACA Worldwide, you can submit it as a Proposal for potential inclusion on the agenda at the ABC. All Proposals will become part of a Ballot published in January.

After the proposals are received they are sent back out to groups to determine if there is enough consensus to include them on the ABC Agenda

Last year we discussed and voted on 13 different proposals from around the world.

Deadline for 2021 ABC Ballot Proposals is

October 31, 2020
